Our Story

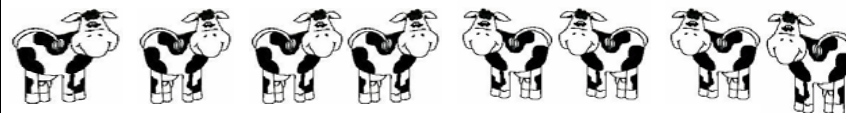

Udderly Delicious began as a lifelong dream of making premium ice cream; after graduating from Ice Cream School and working under the professionals of Painter's Ice Cream in North Myrtle Beach.

Udderly Delicious Homemade Ice Cream opened it's first store in Conover, NC in 1995.

Our mission is simple. "Make The Best Homemade Ice Cream", Using only the finest ingredients, such as rich cream, milk, nuts, fruits, candies and other rich flavorings.

Today, we continue to make our ice cream "The Old Fashioned Way" - by hand pouring each batch to make a super-premium homemade ice cream. Thank You for voting us the Number 1 ice cream in the Catawba Valley.
